A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enable by the to Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or rResolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website.Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Councils rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Summary: The North Hollywood West Neighborhood Council supports CF 12-1824-S2 to instruct the City Attorney and Chief Legislative Analyst, in coordination with the City Administrative Officer and the Departments of Building & Safety, Housing and Planning, report back with recommendations to make enforcement more effective to deter violations of the Loud and Unruly Gatherings Ordinance and the Home-Sharing Ordinance, including increases in fines and other penalties, as well as implementing a cost recovery system that is specific to the enforcement against party houses. The North Hollywood West Neighborhood Council (NOHOWESTNC) supports efforts to make enforcement of the Loud and Unruly Gatherings Ordinance and the Home-Sharing Ordinance more effective in order to address unruly party house disruptions within our community's neighborhoods, including but not limited to noise disturbances until early hours of the

morning, dangerous and illegal behaviors, and other harmful activities. NOHOWESTNC agrees with City Council's finding that current enforcement tools are not strong enough to make an impact and supports City Council's initiatives to explore strengthening its approach, such as increases in fines and other penalties, as well as implementing a cost recovery system that is specific to the enforcement against party houses. When habitually volatile property owners who earn a living renting their properties violate the provisions of the Loud and Unruly Gatherings and/or Home-Sharing Ordinances consider fines and warnings simply a "cost of doing business," it is a sign that more needs to be done to prevent further harm from befalling our community. NOHOWESTNC requests the City Council, City Attorney, Department of Building & Safety, Department of Housing, and Department of Planning to take these necessary steps to crack down on habitually problematic home-sharing properties and to restore order to our community.
