(d) A CRA Redevelopment Area: \_\_\_\_\_ OR NO  
(YES) (NO)

- (3) Area (in sq. ft.) of the proposed vacation area is approx. 3,440 sq. ft. If over 10,000 sq. ft. of buildable area, the vacation is not categorically exempt from the California Environmental Quality Act Guidelines and will require a higher level of environmental review. Contact a vacation staff member to discuss the effect of this on the processing of your application prior to submittal. If the applicant is required to have an environmental determination performed by the Bureau of Engineering Environmental Management Group, the applicant must submit an additional \$30,000 fee deposit. This will also increase the processing time by approximately 6 months.

• If the vacation is located within a Coastal Development Zone, a Coastal Development Permit will be required for the project. The applicant should be aware that vacations within a Coastal Development Zone will take longer to process and will be considerably more expensive. If the applicant is required to have a Coastal Development Permit processed by the Bureau of Engineering Environmental Management Group, the applicant must submit an additional \$30,000 fee deposit.

• Some city agencies, including LADOT, may require additional fees to be deposited to cover costs during the referral and investigation process. The applicant is responsible for paying the fees to the agency directly. Referral fees paid to other city agencies are separate from the Bureau of Engineering processing fees.

• If the proposed vacation is only for a portion of the Right-of-Way or a partial block, contact a vacation staff member prior to submitting application.
