

## **Transportation Committee**

**June 11, 2025**

**Amendment provided by Council District 1 (Hernandez)**

**Item No. 6**

Instruct LADOT to report back on existing protocols that safeguard the privacy of individuals who receive citations, including any data retention policies and regulations that prevent the long-term storage of data and personal information. The report should also indicate how LADOT will implement these privacy measures across any new technology or future contracts with vendors.
