2025 PLANNED ACTIVITIES:

The BID worked very closely with a strategic planner to develop a long-term plan to improve the Corridor while preserving the history and heritage of our Chatsworth community. 2025 will be the Eleventh year in the execution of this plan. Our focus will continue to be on:

- Communication to Stakeholders
- Marketing our Stakeholder in the Community
- Security Services
- Landscaping & Art Installations

The 2025 objectives include:

- A. **Administration:** We will outsource administration to **(to be determined)** to accomplish the day-to-day operations of the BID. The administrator will also oversee part-time personnel and all volunteers' work including data entry and the preparation and distribution of all communication materials to stakeholders. The annual CPA review required shall be conducted in this category as well. The Administrator will also support and coordinate programs, events, advertising and promotional programs intended to increase business within the BID among Stakeholders and with the community at large.
- B. **Communication:** For 2025, the BID will continue to improve all aspects of its communication strategy.
- The highlight of our communication plan will be the Ambassador program which has proven to be an effective communication outreach program. The BID will continue to utilize its hired Security Service to outreach to Stakeholders on a weekly basis.
- C. **Security/Business Watch:** Both the Night Security Patrol Program and Business Watch Program during the afternoon will continue in 2025. This year the BID will continue the increase of the night-time and afternoon security patrols during the week to meet the needs and concerns of its stakeholders highlighted in the results of the survey and focus groups. Patrols will also act as ambassadors to communicate the services of the BID to its stakeholders via brochures and other tools. This program will continue to be this year's focus to enhance Chatsworth as a safer place to work and do business.
- D. **Landscape & Local Art Installation:** For 2025, we will continue to pursue streetscape enhancements accomplished in 2024 which include the maintenance of all tree-wells and our concrete benches to enhance the overall look of the Devonshire corridor.

- **Tree Maintenance** - At the direction of the BID, a maintenance company will continue to maintain the trees and the tree wells along the Devonshire Corridor that were originally planted by the BID using an approved maintenance company.
- **Benches**- At the direction of the BID, a maintenance company will continue to clean the benches and paint them, as necessary, to remove graffiti or vandalism.
- **American Flag Placement**- The BID will continue to contract the Chatsworth Kiwanis Club to install and maintain our American Flags along the corridor.
- **Art Box Project** – The BID will be continue the maintenance of our art boxes with 11:11 Creative Collection, along the Devonshire corridor.

E. **New Projects**: There will be no new projects scheduled in 2025 due to the fact that collections of assessments has been only at 60% and do not expect improved payment of assessments in the coming year.

Costs for the 2025 planned activities mentioned above are outlined in the 2025 Budget Proposal which is attached to this report as ***Attachment 1***.

I certify that I represent the non-profit organization of the Chatsworth Business Improvement District, Incorporated, and I am authorized to submit this report on behalf of the organization.
