The advisory board approved this 2016/2017 Annual Report on – 6/10/2016

There are no proposed changes to the boundaries or benefit zones.

New businesses that opened within the Chatsworth BID after the notice of the required public hearing for the ordinance for levying the 2016/2017 assessments was sent by the Los Angeles City Clerk will be exempt from the 2016/2017 assessment; however, they will be subject to assessments in future years. Any businesses that relocate within the BID year and remain within the BID area must pay their assessments and the rolls will be updated.

The estimated cost for providing improvements and activities for 2016/2017 is \$132,900 as presented in the Budget Proposal in **Attachment 1**. The total amount of assessments that businesses will be billed is \$102,900. The assessment methodology and assessment listing for Chatsworth businesses are attached to this report as **Attachment 2**. The Chatsworth BID has an estimated surplus balance of \$30,000 from the 2015/2016 fiscal year that will be carried forward to the 2016/2017 fiscal year.

To our knowledge, there are no other grants or contributions to be made from other sources other than the assessments levied pursuant to this report.

2016/2017 PLANNED ACTIVITIES:

The BID worked very closely with a strategic planner to develop a long-term plan to improve the Corridor while preserving the history and heritage of our Chatsworth community. 2016/2017 will be the third year in the execution of this plan. Our focus will continue to be on:

- Communication to Stakeholders
- Security services
- Landscaping

The 2016-2017 objectives include:

- A. **Administration:** We will outsource administration to the Chatsworth/Porter Ranch Chamber of Commerce to accomplish the day-to-day operations of the BID. The administrator will also oversee part-time personnel and all volunteers' work including data entry and the preparation and distribution of all communication materials to stakeholders. The annual CPA review required shall be conducted in this category as well. The Administrator will also support and coordinate programs, events, advertising and promotional programs intended to increase business within the BID among Stakeholders and with the community at large.
- B. **Communication:** For 2016-2017, the BID will continue to improve all aspects of its communication strategy.
 - The highlight of our communication plan will be the Ambassador program which has proven to be an effective communication outreach program. The BID will continue to utilize its hired Security Service to outreach to Stakeholders on a weekly basis.
- C. **Security/Business Watch:** Both the Night Security Patrol Program and Business Watch Program will continue in 2016-2017. This year the BID will increase the DAY-TIME security patrols during the week to 8 hours a day to meet the needs and concerns of its stakeholders highlighted in the results of the survey and focus groups. Patrols will also act as ambassadors to communicate the services of the BID to its stakeholders via brochures and other tools. This program will continue to be this year's focus to enhance Chatsworth as a safer place to work and do business.
- D. **Streetscape/Landscape Maintenance:** For 2016-2017, we will continue to pursue streetscape enhancements accomplished in 2015-2016 which include the

maintenance of all tree-wells and the benches and trash receptacles to enhance the overall look of the Devonshire corridor.

- **Tree Maintenance** - At the direction of the BID, a maintenance company will continue to maintain the trees and the tree wells along the Devonshire Corridor that were originally planted by the BID using an approved maintenance company.
- **Benches and Receptacles** - At the direction of the BID, the maintenance company will continue to clean the benches and receptacles and paint them, as necessary, to remove graffiti or vandalism.
- **ArtBox Project** – The BID will be working with 11:11 Creative Collection on the painting of the street boxes along the Devonshire corridor.
- **DIG (Devonshire Improvement Group) Projects**- The BID will continue its beautification efforts by looking into projects such as Beautification of Median located by train tracts and Installation of Art on the Utility Boxes located along the corridor

E. **New Projects:** 2016-2017 funds for this category will be mainly utilized to enhance the overall look of the corridor. New projects will include grant writing possibilities and the search for other funding sources to help in the implementation of the long term goals of the BID and the safety issues related to the power lines.

Costs for the 2016/2017 planned activities mentioned above are outlined in the 2016/2017 Budget Proposal which is attached to this report as **Attachment 1**.

I certify that I represent the non-profit organization of the Chatsworth Business Improvement District, Incorporated and I am authorized to submit this report on behalf of the organization.

Respectfully submitted by:
