SUMMARY

At its regular meeting of August 19, 2013, the Budget and Finance Committee considered a City Attorney report and draft Ordinance relative to allowing the City to provide AB1290 funds to certain entities in amounts up to and including \$5,000 without a written contract. The City Attorney reports that AB1290 funds come to the City from certain local tax increment property tax revenues pursuant to the California Community Redevelopment Law Reform Act of 1993. When the State eliminated redevelopment agencies in March 2011, the City Council created an account to receive existing and future AB1290 funds. As part of the Adopted Budget for fiscal year 2013-2014, the City Council requested that the City Attorney prepare an ordinance to exempt AB1290 expenditures of \$5,000 or less from the need for a written contract.

During Committee consideration, a City Attorney representative provided an overview of the draft Ordinance and responded to related questions from Committee members. After further consideration and having provided an opportunity for public comment, the Budget and Finance Committee requested that the draft Ordinance be revised to include the Cultural, Art and City Events funds. When the City Council adopted the Budget for fiscal year 2013-14, it created and funded a new line item in the General City Purposes Fund to "fund arts, cultural events, and related activities, such as transportation" entitled Cultural, Art and City Events. A revised Ordinance would allow the City to provide both AB 1290 funds and Cultural, Art and City Events funds to certain entities in amounts up to and including \$5,000 without a written contract.

This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

BUDGET AND FINANCE COMMITTEE
