FIRST 100 DAYS

# Garcetti takes low-profile path

First mile marker finds new mayor set on overhauling City Hall

By **Dakota Smith**

dakota.smith@dailynews.com  
@dakotacsmith on Twitter

Three months into the job, Mayor Eric Garcetti's bookshelves in his City Hall office are largely empty. There are some art books, a Jimi Hendrix biography and a framed newspaper obituary of his grandfather, clothing store founder

Harry Roth, but not much else.

Like Garcetti's new office, much about this administration feels lean. As the mayor hits his 100th day in office today, he is solidifying a reputation for a low-key approach and a focus on governing.

He has held few major press conferences since taking office. Despite an emphasis on job growth in his campaign for mayor, no major

economic policies have emerged.

And his biggest news — bringing in a high-profile movie exec as his new film czar — came via a written announcement. His predecessor, Mayor Antonio Villaraigosa, likely would have held a glitzy press conference at a Paramount Pictures lot.

Since becoming the 42nd mayor
