Sec. 1.2. All persons employed in any of the classes of Assistant City Attorney, Senior Assistant City Attorney, Chief Assistant City Attorney, Executive Assistant City Attorney, or Senior Counsel shall have the same power and authority as that conferred by law upon a Deputy City Attorney, with full power to act in the name and on behalf of the City Attorney.

Sec. 1.3. The City Attorney is hereby authorized to fill positions in the following classes in either one or two class codes as follows: Deputy City Attorney I, Code 0543 or 0550; Deputy City Attorney II, Code 0544 or 0551; Deputy City Attorney III, Code 0545 or 0552; Deputy City Attorney IV, Code 0546 or 0573; and Assistant City Attorney, Code 0547 or 0553; provided, however, that at no time shall the total number of persons employed in each of these classes exceed the total number of positions authorized for each of these classes except as otherwise provided in Section 1.1.

Sec. 1.5. Notwithstanding any other ordinance provisions, whenever it appears to the satisfaction of the City Attorney that the applicable existing salary rate of any person employed or to be employed in any exempt position adversely affects recruitment or retention of qualified persons because of the exceptional and unusual character of the administrative duties and responsibilities required, the City Attorney may employ or retain any person at any step rate within the salary range prescribed for the position that is determined by the City Attorney to be commensurate with and based upon the extent, responsibility and importance of the work and experience and ability of the employee.

Sec. 1.6. One person in the class of Executive Assistant City Attorney, Code 0556, employed on February 1 of the calendar year in the City Attorney's Office shall be entitled to be reimbursed for the amount the employee shall have expended for the payment of required dues, other than penalty assessments, to the State Bar of California for that calendar year. Sec. 1.1. The Controller shall have, and he/she is hereby given, power and authority to deputize as Deputy Controller any person regularly employed in the Tax and Permit Division of the Office of Finance for the purpose of carrying out the provisions of the Los Angeles Municipal Code, as amended, relating to the issuance of business tax registration certificates and the collection of tax. All persons so deputized shall serve as Deputy Controllers without additional compensation.

Sec. 1.2. The Controller shall have, and he/she is hereby given, power and authority to deputize as Deputy Controller any person regularly employed in the Office of the Treasurer for the purpose of carrying out the provisions of the Charter relating to the certification by the Controller to the Director of Finance for the deposit of any money to be paid into the City Treasury. All persons so deputized shall serve as Deputy Controllers without additional compensation.

Notwithstanding any other ordinance provisions, whenever it appears to the satisfaction of the Controller that the applicable existing salary rate of any person employed or to be employed in the class of Chief Deputy Controller, Code 0302, Director of Financial Analysis and Reporting, Code 1608, Administrative Coordinator Controller, Code 9153, or Administrative Deputy Controller, Code 9177, adversely affects recruitment or retention of qualified persons because of the exceptional and unusual character of the administrative duties and responsibilities required, the Controller may employ or retain any person in Code 0302, Code 1608, Code 9153, or Code 9177 at any step within the salary range prescribed for the class that is determined by the Controller to be commensurate with and based upon the extent, responsibility and importance of the work and experience and ability of the employee.

Sec. 1.4. Notwithstanding any provisions to the contrary, any person employed in the class of Administrative Deputy Controller, Code 9177, may receive a salary up to the fourth premium level rate above the appropriate step rate of the salary range prescribed for that class or, in the alternative, may be compensated at any step rate of the following salary range: effective January 1, 2012, Salary Range 5515; effective July 1, 2012, Salary Range 5653; effective January 1, 2013, Salary Range 5821; effective July 1, 2013, Salary Range 5909.

The approval shall specify the period during which the position shall be filled. The Office of the City Administrative Officer shall maintain a record of the positions approved for filling. Whenever the Office of the City Administrative Officer requires as a condition to the filling of a substitute position that a regular position be left vacant and the vacant regular position is authorized by the Council to receive adjusted compensation provided by the Notes of Schedule "A" of Los Angeles Administrative Code Sections 4.61 and 4.72 or an approved MOU, payment of the adjusted compensation may then be made to the person employed in the substitute position if he/she is otherwise qualified to receive adjusted compensation.

Sec. 3. The appointing authority may employ persons and assign duties appropriate to the employee's classification and pay grade in any class of position specified in Schedule "A" of Los Angeles Administrative Code Section 4.61 in lieu of vacant positions in a related occupational series, including related training classes, or if not related, upon approval from the Office of the City Administrative Officer and the Personnel Department, which have been duly authorized in the appropriate department personnel ordinance or resolution of the Council, and which vacant positions have a salary or salary range equal to or higher than the salary or salary range for the class of position in which the persons are to be employed; provided, however, that at no time shall the total number of persons employed in the department, office or bureau exceed the total number of positions authorized. Sec. 1.1. Any person occupying the position of Chief Legislative Analyst, Code 9296, shall be subject to appointment and removal by the Council, provided, however that in all cases, removal shall require the votes of two-thirds of the entire Council.

Sec. 1.2. Notwithstanding any other ordinance provisions, whenever it appears to the satisfaction of the Council or to any member of the Council to whom any person in an exempt position is assigned, that the applicable existing salary rate of the person so employed or to be employed in the exempt position, adversely affects recruitment or retention of qualified persons because of the exceptional and unusual character of the administrative duties and responsibilities required, the Council, or member of the Council may employ or retain any person in the exempt position at any step within the salary range prescribed for the position that is determined by the Council or Councilmember to be commensurate with and based upon the extent, responsibility and importance of the work and the experience and ability of the person.

Sec. 1.3. Any person employed in the classes of Council Aide I, Code 0180; Council Aide II, Code 0181; Council Aide III, Code 0182; Council Aide IV, Code 0183; Council Aide V, Code 0184; Council Aide VI, Code 0185; Council Aide VII, Code 0186; Legislative Analyst I, Code 0191; Legislative Analyst II, Code 0192; Legislative Analyst III, Code 0193; Legislative Analyst IV, Code 0194; Legislative Analyst V, Code 0195; Assistant Chief Legislative Analyst, Code 0196; or Legislative Representative, Code 9482, may receive salary up to the fourth premium level rate above the appropriate step rate of the salary range prescribed for these classes. The level and effective dates of the premium pay shall be set forth in a written communication to the appointing authority for the Council employees signed by the Councilmember or the Chief Legislative Analyst depending upon whose office the person or persons are employed or are to be employed.

Sec. 1.4. Notwithstanding any other ordinance provisions, persons employed in the class of Assistant Chief Legislative Analyst, Code 0196, when designated by the Chief Legislative Analyst to assume additional administrative and supervisory duties of Executive Officer, may be compensated at the fourth premium level rate above the appropriate step rate or premium level rate of the incumbent.

Sec. 1.5. Notwithstanding any other ordinance provisions, whenever the Chief Legislative Analyst encounters difficulty in the employment of experienced technical personnel, and it appears to him/her that the applicable existing salary rate of any person to be employed in an exempt position adversely affects recruitment of qualified persons, he/she may employ any person whom he/she believes merits hiring at above the beginning rate for the technical classification. He/She shall review the need of the Office and the experience of the applicant and may authorize employment at any advanced step rate within the salary range prescribed for the class upon his/her determination that the step is commensurate with the responsibility and importance of

the work to be assigned the employee, and the experience, skill and ability of the person.

Sec. 1.6. Notwithstanding any other ordinance provisions, the Chief Legislative Analyst may employ or retain any person in an exempt position at any step within the salary range prescribed for the position that is determined by the Chief Legislative Analyst to be commensurate with and based on the extent, responsibility, and importance of the work and the experience and ability of the employee.

Sec. 1.6.5. Effective July 1, 2003, notwithstanding Los Angeles Administrative Code Section 4.114.5, non-represented, FLSA excluded employees in the Office of the Chief Legislative Analyst (CLA) who are employed in a class or pay grade with a fifth step regular biweekly rate, without bonuses, at or below the fifth step regular biweekly rate for the class of Legislative Analyst III (Class Code 0193) may be compensated for overtime at the discretion of the Chief Legislative Analyst. Overtime compensation shall be in cash or time off at the rate of one and one-half hours for each hour of overtime worked in cash or compensated time off, at the discretion of the Chief Legislative Analyst. Employees eligible for this overtime compensation shall be subject to deductions from salary or leave banks for any authorized absence from work for less than a full workday.

Sec. 1.7. Notwithstanding any provisions to the contrary, one Council Aide VII, Code 0186, in each Council office, when designated by the involved Councilmember to assume the additional responsibilities of Chief Deputy, may receive a salary up to the fourth premium level rate above the appropriate step rate of the following salary ranges: effective January 1, 2012, Salary Range 5515; effective July 1, 2012, Salary Range 5653; effective January 1, 2013, Salary Range 5821; effective July 1, 2013, Salary Range 5909.

Understanding (MOU). The approval shall specify the period during which the position shall be filled. The Office of the City Administrative Officer shall maintain a record of the positions so approved for filling. Whenever the Office of the City Administrative Officer requires as a condition to the filling of a substitute position that a regular position be left vacant and the vacant regular position is authorized by the Council to receive adjusted compensation provided by the Notes of Schedule "A" of Los Angeles Administrative Code Sections 4.61 and 4.72 or an approved MOU, payment of the adjusted compensation may then be made to the person employed in the substitute position if he/she is otherwise qualified to receive adjusted compensation.

Sec. 3. The appointing authority may employ persons and assign duties appropriate to the employee's classification and pay grade in any class of position specified in Schedule "A" of Los Angeles Administrative Code Section 4.61 in lieu of vacant positions in a related occupational series, including related training classes, or if not related, upon approval from the Office of the City Administrative Officer and the Personnel Department, which have been duly authorized in the appropriate department personnel ordinance or resolution of the Council, and which vacant positions have a salary or salary range equal to or higher than the salary or salary range for the class of position in which the persons are to be employed; provided, however, that at no time shall the total number of persons employed in the department, office or bureau exceed the total number of positions authorized. The approval shall specify the period during which the position shall be filled. The Office of the City Administrative Officer shall maintain a record of the positions so approved for filling. Sec. 3. The appointing authority may employ persons and assign duties appropriate to the employee's classification and pay grade in any class of position specified in Schedule "A" of Los Angeles Administrative Code Section 4.61 in lieu of vacant positions in a related occupational series, including related training classes, or if not related, upon approval from the Office of the City Administrative Officer and the Personnel Department, which have been duly authorized in the appropriate department personnel ordinance or resolution of the Council, and which vacant positions have a salary or salary range equal to or higher than the salary or salary range for the class of position in which the persons are to be employed; provided, however, that at no time shall the total number of persons employed in the department, office or bureau exceed the total number of positions authorized. Whenever the class of position to be left unfilled as a condition to the filling of a position in accordance with this section is authorized by the Council to receive adjusted compensation provided by the Notes of Schedule "A" of Los Angeles Administrative Code Sections 4.61 and 4.72, payment of the adjusted compensation may then be made to the person employed in accordance with this section if he/she is otherwise qualified to receive adjusted compensation.

Sec. 4. The personnel authority contained in this ordinance shall be limited by the amount of money available on the records of the Controller for the payment of salaries and wages in the appropriate departmental account.

Sec. 5. Pursuant to the provisions of Charter Section 252, this ordinance shall become effective upon its publication and shall remain operative until superseded by ordinance.

Sec. 1.1. The General Manager Information Technology Agency may prescribe schedules of regularly assigned hours of duty for employees of the Information Technology Agency, the schedules to be known as a day shift, swing shift, or a graveyard shift, for employees assigned to work eight, nine or ten days of each biweekly pay period respectively, or known as the first or second shift for employees assigned to work six days each biweekly pay period. Eighty hours of actual attendance on duty shall constitute a biweekly period of work for employees who work day, swing or graveyard shifts. Seventy-two hours of actual attendance on duty shall constitute a biweekly period of work for employees assigned to first or second shifts.

Sec. 1.2. Any person, other than personnel performing clerical, stenographic, accounting, or administrative duties, who is assigned to a continuous eight-hour shift as part of the operation, maintenance or repair of the City's communications systems, and who is required to remain at his/her immediate job location due to the essential nature of his/her work and the unavailability of relief, may, upon the approval of the General Manager, eat one meal during each shift while on duty without penalty or loss of salary provided that this time taken does not interfere with the efficient performance of his/her duties.

Sec. 1.3. (a) Any person whose employment is authorized by this ordinance who is needed to operate the City's communications facilities on a 24-hour, 7-day per week basis may be scheduled to work on Saturdays, Sundays, and holidays, and other than 40 hours per week, provided the total working time for persons so assigned during any nine payroll periods shall equal the number of hours that any employee would normally work in the same period on the basis of an 8-hour day, 5-day week.

(b) Any person who is assigned a regular work schedule pursuant to Subdivision (a) of this section who is required to work on a day or during hours not included in his/her regularly scheduled work shift may, upon approval of the appointing authority, be compensated for the work as overtime as provided in Los Angeles Administrative Code Section 4.113(d).

Sec. 2. Upon approval from the Office of the City Administrative Officer, or City Council if required pursuant to Council instruction, substitute authority positions may be filled using any class of position specified in Schedule "A" of the Los Angeles Administrative Code or approved Memoranda of Understanding (MOU). The approval shall specify the period during which the position shall be filled. The Office of the City Administrative Officer shall maintain a record of the positions approved for filling. Whenever the Office of the City Administrative Officer requires as a condition to the filling of a substitute position that a regular position be left vacant and the vacant regular position is authorized by the Council to receive adjusted compensation provided by the Notes of Schedule "A" of Los Angeles Administrative Code Sections 4.61 and 4.72 or an approved MOU, payment of the adjusted compensation may then be made to the

person employed in the substitute position if he/she is otherwise qualified to receive adjusted compensation.

Sec. 3. The appointing authority may employ persons and assign duties appropriate to the employee's classification and pay grade in any class of position specified in Schedule "A" of Los Angeles Administrative Code Section 4.61 in lieu of vacant positions in a related occupational series, including related training classes, or if not related, upon approval from the Office of the City Administrative Officer and the Personnel Department, which have been duly authorized in the appropriate department personnel ordinance or resolution of the Council, and which vacant positions have a salary or salary range equal to or higher than the salary or salary range for the class of position in which the persons are to be employed; provided, however, that at no time shall the total number of persons employed in the department, office or bureau exceed the total number of positions authorized. Whenever the class of position to be left unfilled as a condition to the filling of a position in accordance with this section is authorized by the Council to receive adjusted compensation provided by the Notes of Schedule "A" of Los Angeles Administrative Code Sections 4.61 and 4.72, payment of the adjusted compensation may then be made to the person employed in accordance with this section if he/she is otherwise qualified to receive adjusted compensation.

Sec. 4. The personnel authority contained in this ordinance shall be limited by the amount of money available on the records of the Controller for the payment of salaries and wages in the appropriate departmental account.

Sec. 5. Pursuant to the provisions of Charter Section 252, this ordinance shall become effective upon its publication and shall remain operative until superseded by ordinance.

Sec. 6. The City Clerk shall certify to the passage of this ordinance and have it published in accordance with Council policy, either in a daily newspaper circulated in the City of Los Angeles or by posting for ten days in three public places in the City of Los Angeles: one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall; one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall East; and one copy on the bulletin board located at the Temple Street entrance to the Los Angeles County Hall of Records.

Sec. 3. The appointing authority may employ persons and assign duties appropriate to the employee's classification and pay grade in any class of position specified in Schedule "A" of Los Angeles Administrative Code Section 4.61 in lieu of vacant positions in a related occupational series, including related training classes, or if not related, upon approval from the Office of the City Administrative Officer and the Personnel Department, which have been duly authorized in the appropriate department personnel ordinance or resolution of the Council, and which vacant positions have a salary or salary range equal to or higher than the salary or salary range for the class of position in which the persons are to be employed; provided, however, that at no time shall the total number of persons employed in the department, office or bureau exceed the total number of positions authorized. Sec. 2. Upon approval from the Office of the City Administrative Officer, or City Council if required pursuant to Council instruction, substitute authority positions may be filled using any class of position specified in Schedule "A" of the Los Angeles Administrative Code or approved Memoranda of Understanding (MOU). The approval shall specify the period during which the position shall be filled. The Office of the City Administrative Officer shall maintain a record of the positions approved for filling. Whenever the Office of the City Administrative Officer requires as a condition to the filling of a substitute position that a regular position be left vacant and the vacant regular position is authorized by the Council to receive adjusted compensation provided by the Notes of Schedule "A" of Los Angeles Administrative Code Sections 4.61 and 4.72 or an approved MOU, payment of the adjusted compensation may then be made to the person employed in the substitute position if he/she is otherwise qualified to receive adjusted compensation.

Sec. 3. The appointing authority may employ persons and assign duties appropriate to the employee's classification and pay grade in any class of position specified in Schedule "A" of Los Angeles Administrative Code Section 4.61 in lieu of vacant positions in a related occupational series, including related training classes, or if not related, upon approval from the Office of the City Administrative Officer and the Personnel Department, which have been duly authorized in the appropriate department personnel ordinance or resolution of the Council, and which vacant positions have a salary or salary range equal to or higher than the salary or salary range for the class of position in which the persons are to be employed; provided, however, that at no time shall the total number of persons employed in the department, office or bureau exceed the total number of positions authorized. Whenever the class of position to be left unfilled as a condition to the filling of a position in accordance with this section is authorized by the Council to receive adjusted compensation provided by the Notes of Schedule "A" of Los Angeles Administrative Code Sections 4.61 and 4.72, payment of the adjusted compensation may then be made to the person employed in accordance with this section if he/she is otherwise qualified to receive adjusted compensation.

Sec. 1.1. Notwithstanding other provisions of this ordinance or of Los Angeles Administrative Code Section 4.108, a full eight-hour day of work shall be deemed to have been fully performed and completed on any day when any employee who is assigned to a refuse collection crew reports for duty at the time and place designated and fully performs all work assigned to him/her on that day. Compensation for overtime shall be allowed for time worked in any one day in excess of eight hours except that all time worked on legal holidays shall be compensated at the rate of time and one-half. Persons referred to in this section who are required to work on legal holidays shall receive not less than eight hours pay at the rate of time and one-half for each legal holiday worked.

Whenever the class of position to be left unfilled as a condition to the filling of a position in accordance with this section is authorized by the Council to receive adjusted compensation provided by the Notes of Schedule "A" of Los Angeles Administrative Code Sections 4.61 and 4.72, payment of the adjusted compensation may then be made to the person employed in accordance with this section if he/she is otherwise qualified to receive adjusted compensation.

Sec. 4. The personnel authority contained in this ordinance shall be limited by the amount of money available on the records of the Controller for the payment of salaries and wages in the appropriate departmental account.
