**Comments for Public Posting:** My name is Marybell Carvente. I am a resident of South Los Angeles near Vermont Harbor. I support the strong anti-harassment tenant ordinance that includes Councilmember Nithya Raman's amendments. I do not support Councilmember Lee's amendments. Harassment is a tactic frequently used by landlords to silence and evict tenants. There shouldn't be an opportunity to cure. Through our South Central Tenants Union, many residents from Torrance are currently facing displacement with offers that do no value the residency of our neighbors livelihood, and residents from South Central live with landlords that are consistently harassing subsequently leaving residents unsafe, and worried. Harassments incite fear, and no one should experience more fear to lose their homes when the fear of being able to survive a deadly virus is suffice during a pandemic.
