Comments for Public Posting: Of course landlords should not harrass tenants. But, tenants should not harrass landlords either. This proposed ordinance is unfair in that it protects only one side in a dispute. Only one side can gain and only one side can loose. The proposed ordinance leaves tenants free to harrass landlord and free to file false claims. There are no negative consequences for doing so. This ordinance is unfair and unjust. Isn't Lady Justice blindfolded? Doesn't she hold a scale? Are all owners evil? Are all tenants victims?
