**Comments for Public Posting:** Thank you to the Council for considering such an ordinance. I have personally witnessed several instances of landlords intimidating their tenants in an effort to force them to vacate the property. Such tactics include tearing down part of the rental property adjacent to a current tenant's unit, rendering the entire space unsafe to reside there. My message as a concerned citizen, please pass the ordinance with the language proposed.

**Comments for Public Posting:** My name is Kathy Ramirez. I am a resident of South Los Angeles. I urge the council to pass a strong anti-harassment tenant ordinance that includes Councilmember Nithya Raman's amendments and affirms the City Attorney's ruling on lawful purpose. Harassment is a tactic frequently used by landlords to silence and evict tenants. Pass the anti harassment ordinance before council recess.
