Comments for Public Posting: Miki Jackson for AHF/HHR We support Item 1. The harassment of tenants must be stopped. This is a major contributor to our crisis in homelessness and insecure housing for people of low income in our city. This is an emergency. Our City Council must open it's meetings to public attendance. This is an embarrassment to Los Angeles. City Hall belongs to the people, to bar us from being able to enter and participate fully in the running of our city has gone on long enough. San Francisco City Hall is opening up, burger joints, bars and movie theaters are open. It is a disgrace that our city remains closed to us.

I urge the council to pass a strong anti-harassment tenant ordinance that includes Councilmember Nithya Raman's amendments and affirms the City Attorney's ruling on lawful purpose. Harassment is a tactic frequently used by landlords to silence and evict tenants. Pass the anti harassment ordinance before council recess.

Comments for Public Posting: I am writing on behalf of HEART LA, the Housing Equality and Advocacy Resource Team in LA, to urge you to pass Item 58, the tenant anti-harassment ordinance. We represent low-income tenants in LA and a lot of what we do is stand up for tenants who are being harassed by their landlords. Landlords consistently take advantage of the power they have over tenants to get away with harassment in an effort to make their tenants move out so that they can raise the rent of the unit. Anti-Harassment protections are necessary to punish this landlord strategy. Thank you.

Comments for Public Posting: My name is Chelsea Kirk. I am a resident of Echo Park in Council District 13. We need a strong anti-harassment tenant ordinance that includes Councilmember Nithya Raman's amendments and affirms the City Attorney's ruling on lawful purpose. Harassment is rampant in Los Angeles, especially since Covid-19. People are being physically and verbally threatened by their landlords, and live in absolute fear all so the landlord can get them to abandon their lease and get a higher paying tenant. Los Angeles needs TAHO. Pass the anti harassment ordinance before council recess.
