Summary: On July 1, 2021 the Empowerment Congress North Area Neighborhood Development Council reviewed CF 14-0268-SB the Tenant Anti-Harassment Ordinance and voted unanimously to support such an Ordinance. Tenant harassment often targets the most vulnerable renters in our community. Particularly affect are persons of color including African Americans, Hispanic Americans, Asian Americans, LGBTQ, persons with disabilities, - all of the federally protected groups - as well as the elderly and undocumented. Tenants are vulnerable and are subject to harassment of many kinds particularly in a housing market that provides no alternative affordable rental possibilities. Often those being harassed are not aware of their rights and options. This Ordinance is a much need protection against harassment. The Policy Committee considered the Ordinance and recommended that the Board support the Ordinance. The Board voted 8-0-0 in favor at its July1, 2021 meeting.
