Comments for Public Posting: Dear Council Members; I write to urge you to pass the Anti Tenant Harassment Ordinance today, and order that it is to be effective immediately upon the Mayor's signing it. Please do nothing to weaken it; it has been watered down more than enough already. We need a law with teeth; we need an ordinance strong enough to be a deterrent to landlords who engage in this egregious behavior; we need enforcement. What we do not need is yet another cause of action that tenants will not have the wherewithal to pursue. We have been kept waiting for this for 4 years. Please ensure that we have not waited in vain. Thank you for your consideration of this urgent matter. Lois DeArmond CD 10
