Comments for Public Posting: Dear Council Members; I am writing to you to urge you, in the strongest possible terms, to move the Tenant Anti-Harassment Ordinance out of Budget and Finance, and on to the full Council for a vote. This Ordinance was proposed over 3 years ago, was approved and recommended for passage by the Housing Committee over 18 months ago. It is time to act positively and decisively to pass this much-needed legislation. Harassment of tenants by landlords is increasing daily, exacerbated by the pandemic and its attendant effects on the economy. We need this ordinance to protect our Los Angeles renters, who make up over 60% of our population. People cannot wait any longer for relief from this cruel and inhumane treatment.
