Subject: **TECHNICAL CORRECTION TO ORDINANCE NO. 185929 (C.F. 14-0409-S15)**

Please make the following technical correction to Section 2 of Ordinance No. 185929 (C.F. 14-0409-S15) in order to correct typographical errors involving the salary range numbers for the classes of Senior Water Biologist (Code 7859) and Senior Water Microbiologist (Code 7861). These salary ranges are to be effective June 24, 2018, consistent with the operative date of Section 7 of Ordinance No. 184251. The salary range numbers in Ordinance No. 185929, along with salary range numbers shown in the accompanying transmittal report to the City Council dated November 14, 2018, by this Office, inadvertently did not reflect the increase in the salary ranges in accordance with the salary adjustment for all non-represented classifications operative June 24, 2018, in Ordinance No. 184251 (C.F. 14-0409-S2).

**Ordinance No. 185929, Sec. 2:**
