TRANSPORTATION

MOTION

On April 5, 2011, the Council approved the addition of Section 87.55 to Chapter VIII of the Los Angeles Municipal Code that establishes regulations for the parking of vehicles displaying a "For Sale" sign or placard advertising the private sale of that vehicle. After conducting a public hearing, Section 87.55 allows the City Council to amend this Section to include additional streets or public lands by ordinance.

A large number of vehicles are consistently parked on Virgil Avenue and Hoover Street for the sole purpose of displaying them for private sale. This situation is monopolizing on-street parking, creating visual blight in these communities and allowing the leakage of motor oil on the pavement.

I THEREFORE MOVE that the Council request the City Attorney to prepare and present an ordinance amending the Los Angeles Municipal Code Section 87.55, which establishes regulations for the parking of vehicles for private sale on certain City streets or public lands, to prohibit the parking of such vehicles with a "For Sale" sign on the following streets:

- The north side of Fountain Avenue between Lyman Place and Virgil Avenue
- Both sides of Virgil Avenue between Fountain Avenue and Burns Avenue
- Both sides of Santa Monica Boulevard between Virgil Avenue and Hoover Street
- The east side of Hoover Street between Santa Monica Boulevard and Hyperion Avenue
- Both sides of Hoover Street between Hyperion Avenue and Temple Street
