

CITY OF LOS ANGELES
INTER-DEPARTMENTAL CORRESPONDENCE

0111-31157-0000

Date: August 4, 2014

To: The Council

From: Miguel A. Santana, City Administrative Officer

Subject: **SUBSTITUTE AND IN-LIEU POSITION AUTHORITIES NEEDED IN 2014-15**

Council File 14-0600 instructed the City Administrative Officer to prepare a listing of all substitute and in-lieu position authorities needed to fulfill the intent of the Council action on the 2014-15 Budget. Attached is the requested listing by department. No Council action is required.

The Council also adopted a policy that states that authorization of substitute positions, other than for layoff avoidance, shall require Council approval only if a department does not have adequate savings identified within its budget to fund such requests. Therefore, departments will transmit these types of requests directly to the City Council for consideration.
