Summary: THE WWNC remains in support of our Councilmember Paul Koretz's May 16, 2014 motion, CF 14-0656 and City Planning's First Draft of proposed BMO amendments dated December, 2015 because they provide the blueprint for a simple, effective, and reasonable fix that would allow renovations, expansions and new construction, while protecting our treasured neighborhoods from being ravaged by unchecked, short-term real estate speculation and reckless development.
