Brief Summary: The GPNC requests that our CIS be attached/added to Council File [14-0656](#) regarding provisions of the BMO to stabilize the conflict of out-of-scale homes in our neighborhoods. The GPNC SUPPORTS this proposal because here, in Northeast LA, although we include hillsides, we have considerable non-hillside areas. We are reminded of the effects of over scale building in our neighborhoods every day.

Council File 14-0656

Honorable City Council
c/o Office of the City Clerk
Los Angeles City Hall
200 North Spring Street, Room 395
Los Angeles, CA 90012

The Glassell Park Neighborhood Council requests that the following Community Impact Statement be attached/added to Council File 14 - 0656 regarding the issue of addressing the counterproductive provisions of the Baseline Mansionization Ordinance to stabilize the conflict of out-of-scale homes that continue to proliferate in our neighborhoods.

COMMUNITY IMPACT STATEMENT

The Glassell Park Neighborhood Council SUPPORTS this proposed issue because here, in Northeast Los Angeles, although we include hillsides, we also have considerable non-hillside areas. We have experienced unprecedented new construction, and are reminded of the effects of over scale building in our neighborhoods every day.

This Community Impact Statement is based on the action taken at the regularly scheduled Board of Directors meeting on March 17, 2015, when the Glassell Park Neighborhood Council adopted the following motion by a vote of 7 yes, 0 no, 5 abstaining and directed that a Community Impact Statement be filed reflecting its position.

Motion: “The Glassell Park Neighborhood Council urges the Los Angeles City Council to pass Planning & Land Use Management Committee motion 14 - 0656 presented by Councilmember Paul Koretz and Seconded by Councilmember Mike Bonin.”

Sincerely,

Marge Piane (gpnc.margepiane@gmail.com)
