

CATEGORICAL EXEMPTION, TRANSPORTATION COMMITTEE REPORT, and RESOLUTION relative to establishing Temporary Preferential Parking District (TPPD) No. 180 on Rodgerton Drive.

Recommendations for Council action:

1. FIND that there is a substantial adverse impact from hikers and tourists to the Hollywood sign, who monopolize the on-street parking preventing residents from parking near their homes, from which the residents deserve immediate relief.
2. FIND that the establishment of this TPPD is exempt from the California Environmental Quality Act (CEQA) as a Class 1 Categorical Exemption, under Article III.1.a.3 of the 2002 Los Angeles City CEQA Guidelines.
3. ADOPT the accompanying RESOLUTION, pursuant to Section 80.58.d of the Los Angeles Municipal Code (LAMC), establishing TPPD No. 180, on Rodgerton Drive between Beachwood Drive and Deronda Drive / Ledgewood Drive.
4. AUTHORIZE the NO PARKING, 8 AM to 6 PM, SATURDAY, SUNDAY AND HOLIDAYS; DISTRICT NO. 180 PERMITS EXEMPT restriction for use both sides of all streets in the district.
5. INSTRUCT the Los Angeles Department of Transportation (LADOT) to initiate the necessary procedures for the preparation and sale of parking permits to residents within the boundaries of TPPD No. 180, as specified in LAMC Section 80.58.
6. DIRECT the LADOT, upon Council adoption of the accompanying Resolution establishing the TPPD, to post, or remove, the authorized parking restrictions upon receipt and verification of the requisite petition, without further actions by Council.

Fiscal Impact Statement: LADOT reports that revenue from the sale of permits will cover the cost of implementing and administering TPPD No. 180. Furthermore, the City will gain additional General Fund revenue from the issuance of parking citations to violators of the TPPD parking restrictions.

Community Impact Statement: None submitted.

SUMMARY

In a report to Council dated June 4, 2014 (attached to the Council file), LADOT recommends that Council establish TPPD No. 180 on Rodgerton Drive. LADOT reports that the TPPD is needed to provide area residents immediate relief from excessive non-resident parking caused by tourists and hikers monopolizing street parking and causing gridlock while looking for parking in the area in order to use the hiking trails or take photographs of the Hollywood sign. According to the Department, the establishment of this TPPD is the best solution to address the problem. The TPPD will limit parking on Saturday, Sunday, and holidays to residents between 8:00 a.m. and 6:00 p.m. The Council Office has expressed support for this proposal. A map of the TPPD is attached to the Council file.

At its meeting held August 13, 2014, the Transportation Committee recommended that Council approve the above recommendations to establish TPPD No. 180.

Respectfully Submitted,
