Comments for Public Posting: I urge, beg, and plead with you to place the Safer and Cleaner Los Angeles Ballot Measure in the hands of the voters; you must stop blocking our voice and instead do your job and listen to your constituents. I find the Council no longer speaks for the majority, put it to the public, and let's find out. Crime, waste, filth, trash, human waste, drug paraphernalia, and fear is taking over a once thriving and beautiful area. You have the power to put this back in our hands for a vote. That takes the heavy off of you, it's an easy way out, and it's mandated. We want law and order back on our streets. We want our streets safe and sane. We want you to do what you were voted into office to do; represent our voice. So, please do so. Put the Safer and Cleaner Los Angeles Ballot Measure on the ballot in June.
