WHEREAS, the Property and Business Improvement District Law of 1994 authorizes cities to establish Property and Business Improvement Districts for the purpose of levying assessments on real property for certain purposes; and

WHEREAS, property owners in the South Los Angeles business community who will pay more than 50 percent of the total amount of assessments to be levied, have filed written petitions requesting that the City Council establish a district to be named the South Los Angeles Industrial Tract Business Improvement District;

WHEREAS, the Management District Plan and Engineer's Report supporting the establishment of the proposed Business Improvement District have been reviewed and have been found to meet or exceed the minimum requirements of Article XIII D of the California Constitution and the Property and Business Improvement District Law of 1994 (Section 36600 et seq., Streets and Highways Code, State of California) by the Office of the City Clerk.

NOW THEREFORE

THE PEOPLE OF THE CITY OF LOS ANGELES DO ORDAIN AS FOLLOWS:

Section 1. DECLARATION. Pursuant to the provisions of Property and Business Improvement District Law of 1994, Section 36600 et seq., of the Streets and Highways Code (Act), the City Council declares its intention to consider the establishment of a Property and Business Improvement District to be named the South Los Angeles Industrial Tract Business Improvement District (District) for the levy assessments on property. **Section 2. ADOPTION OF ENGINEER'S REPORT AND MANAGEMENT DISTRICT PLAN.** The City Council hereby adopts, approves and confirms the Engineer's Report and the Management District Plan included in Council File No. 14-1072. **Section 3. BENEFIT TO PARCELS WITHIN THE DISTRICT.** The City Council hereby affirms its finding that all parcels within the District will receive a special benefit from the improvements and activities funded by the assessments to be levied. **Section 4. DISTRICT BOUNDARIES.** The City Council hereby declares that the boundaries of the proposed District are as detailed in the Management District Plan. The proposed South Los Angeles Industrial Tract Business Improvement District consists of approximately 22 blocks in south Los Angeles bounded roughly by Slauson Avenue on the north, Florence Avenue on the south, Central Avenue on the east and Avalon Avenue on the west. All property within the approximate boundaries described above is included in the proposed District. There are 272 parcels owned by 152 stakeholders in the proposed District. The map included in the District's Management District Plan gives sufficient

detail to locate each parcel of property within the proposed District. **Section 5. IMPROVEMENTS AND ACTIVITIES.** The City Council hereby declares that the proposed activities and improvements to be funded by the levy of assessments on property within the District are detailed in the Management District Plan. They include, but are not limited to Security, Streetscape Services, Marketing, Program Management and Operations. **Section 6. ANNUAL ASSESSMENTS AND DURATION.** The District's total assessment for four (4) years is estimated to be \$3,609,223. Annual assessments for subsequent years may be adjusted by a percentage rate not to exceed a maximum of five percent (5%) to be determined by the Owners' Association. It is proposed that the District be established for a four (4) year period. The District will not issue bonds. **Section 7. COLLECTION OF ASSESSMENTS.** The City Council hereby declares that to the extent possible, assessments shall be collected at the same time and in the same manner as County ad valorem property taxes and shall be subject to all laws providing for the collection and enforcement of assessments. For properties that do not appear on the County tax rolls or for assessments for any years in which the City is unable to transmit the assessment information to the County in sufficient time for the County to collect the assessments with the County ad valorem property taxes, the City Clerk may bill and collect the assessments by mailing assessment notices (Statement of Assessment Due) to each property owner within the District at the address shown on City records. Assessments billed by the City Clerk are due 45 calendar days after the Statement of Assessment Due. **Section 8.
