WHEREAS, on November 5, 1996, voters in the City of Los Angeles approved Proposition K (also known as the L.A. for Kids Program), which authorizes the formation of City of Los Angeles Landscaping and Lighting District No. 96-1 (District) and approves the levy and collection of an annual assessment of \$25 million within the District for a period of thirty years for the purpose of funding the acquisition of land or land and improvements, and the development, improvement, restoration, and maintenance of improvements funded by the District, of parks, open spaces, recreation and community facilities; and WHEREAS, the assessments proposed received approval of a majority of the voters prior to the passage of Proposition 218, therefore are exempt from the procedures and approval process set forth in Section 4 of Proposition 218; and WHEREAS, the Los Angeles City Council on February 18, 2015, adopted a Resolution instructing the City Engineer to prepare a report and Ordinance of Intention pursuant to the provisions of the Landscaping and Lighting Act of 1972; and

#### NOW, THEREFORE, THE COUNCIL OF THE CITY OF LOS ANGELES HEREBY RESOLVES AS FOLLOWS:

Section 1. The City Council hereby declares its intention to determine that the public interest, convenience and necessity require the levy and collection of assessments for the 2015-16 fiscal year for City of Los Angeles Landscaping and Lighting District No. 96-1, to provide funding for the acquisition of land or land and improvements, and for the development, improvement, restoration, and maintenance of improvements funded by the District, of parks, open spaces, recreation and community facilities in the District.

Sec. 2. The City Council hereby adopts, approves and confirms the Engineer's Report, which includes the L.A. for Kids Steering Committee FIVE-YEAR PLAN, and the A LIST, B LIST, and C LIST of the improvement projects, and the diagram for the District and the Assessment, and orders the Report be filed with the City Clerk, and sets the matter for public hearing as specified in Section 8. The L.A. for Kids Steering Committee FIVE-YEAR PLAN (Plan) specifies in detail which acquisitions and improvements are planned for the fiscal years 2015-16 through 2019-20, and describes the locations of the improvements to be funded by the District. The A LIST of the Plan includes projects planned for fiscal year 2015-16. The B LIST of the Plan includes projects that may be substituted for projects on the A LIST during the fiscal

year in the event it is determined by the City Council that any project on the A LIST will not be implemented in the 2015-16 fiscal year. The C LIST of the Plan includes competitive grant alternate projects that may be substituted for projects on the A LIST during the fiscal year in the event it is determined by the City Council that any project on the A LIST will not be implemented in the 2015-16 fiscal year. All projects on the A LIST have been subject to environmental analysis pursuant to the California Environmental Quality Act (CEQA), and the environmental analysis process has already been completed, or will be completed prior to adoption of the Ordinance Ordering Confirmation, Levy and Collection of Annual Assessment or as required by law. A Categorical Exemption, Environmental Impact Report, Mitigated Negative Declaration, or Negative Declaration has been or is being prepared and a Notice of Exemption or Notice of Determination has been or will be filed when applicable. For projects on the B LIST and the C LIST, compliance with CEQA must be completed prior to the City Council approving during the 2015-16 fiscal year, the substitution of any of those projects for projects on the A LIST. The Engineer's Report also describes the boundaries of the Assessment District, and the method and rationale for spreading the proposed assessment in proportion to the benefit received by each lot or parcel of land within the District. The Engineer's Report is by this reference incorporated herein as though set forth in full.
