SPECIAL 1

MOTION

At its meeting of September 15, 2014 the Board of Public Works acted to approve a Class "B" Permit for voluntary non-standard improvements on Bulwer Drive from Woodstock Drive to 750 feet west of Woodstock Drive subject to various conditions.

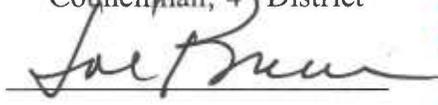

Action is needed to assert jurisdiction over this action inasmuch as there are unresolved issues associated with it.

I THEREFORE MOVE that the Council determine, as provided in Section 54954.2(b)(2) of the Government Code, and pursuant to **Rule 23** of the Rules of the City Council, that there is a need to take immediate action on this matter AND that the need for action came to the attention of the City Council subsequent to the posting of the agenda for today's Council meeting.

I FURTHER MOVE that pursuant to **Section 245** of the Los Angeles City Charter, the Council assert jurisdiction over the September 15, 2014 action of the Board of Public Works to approve a Class "B" Permit for voluntary non-standard improvements on Bulwer Drive from Woodstock Drive to 750 feet west of Woodstock Drive subject to various conditions.

I FURTHER MOVE that upon assertion of jurisdiction, the Council veto the above referenced action.
