A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enable by the to Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or rResolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Councils rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Neighborhood Council: North Westwood

Name: Lauren Wagner

Email: lauren.nwwnc@gmail.com

The Board approved this CIS by a vote of: Yea(11) Nay(0) Abstain(0) Ineligible(0) Recusal(0)

Date of NC Board Action: 09/09/2025

Type of NC Board Action: For

Impact Information

Date: 09/16/2025

Update to a Previous Input: No

Directed To: City Council and Committees, Board of Transportation Commissioners

Council File Number: 14-1318-S1

City Planning Number:

Agenda Date: 09/09/2025

Item Number:

Summary: The North Westwood Neighborhood Council (NWWNC) supports amending LAMC §80.07 and the Master Cooperative Agreement between the City and LA Metro to allow Metro to self-approve installation and removal of temporary traffic control devices, subject to LADOT oversight. We support the crucial requirements of transferring liability to LA Metro related to their work on traffic-control signs, project-specific approval, and a sunset date. As the city collaborates with LA Metro to implement a robust transit signal priority system, expand transit priority lanes, and improve

transit access, this change will streamline delivery of those critical bus and rail projects, reduce costly delays, and improve safety during construction, while preserving the City's authority.
