At the meeting held on November 17, 2015, your Trade, Commerce and Technology Committee considered a Chief Legislative Analyst (CLA) report and LAHD communication relative to San Pedro Waterfront redevelopment efforts. The report requested a series of report backs from various departments in regards to efforts to revitalize the San Pedro Waterfront. At the November 17, 2015 meeting, staff from the CLA, the LAHD, and the Los Angeles Metropolitan Transit Authority provided information and responded to questions in relation to their latest efforts in redeveloping the San Pedro Waterfront. After a thorough discussion of the matter, the Chair requested that the CAO report and LAHD communication be noted and filed. An opportunity for public comment was held. After further discussion of the matter, the Committee moved to note and file the CAO report and LAHD communication. This matter is now forwarded to the Council for its consideration.
