Councilmember Adrin Nazarian,

Thank you for voting YES on the Olympic Wage for hospitality workers. This would update our current living wage laws to require that airport and hotel workers are paid \$30/hr by the Olympics, and have increased access to family health care and worker protections.

Council President Marqueece Harris-Dawson,

Thank you for your support for the Olympic Wage. While the tourism industry is poised to continue to grow as Los Angeles gears up to host the 2026 World Cup, 2028 Olympic and Paralympic Games, and other mega-events, wages remain insufficient for tourism workers to continue to live in Los Angeles and surrounding cities as the region grapples with an unprecedented housing and healthcare affordability crisis.

Thank you for voting for higher wages and benefits for tourism workers!

Councilmember Traci Park,

I urge the LA City Council to vote YES on the Olympic Wage for hospitality workers. This would update our current living wage laws to require that airport and hotel workers are paid \$30/hr by the Olympics, and have increased access to family health care and worker protections.

Tourism workers make tourism possible. They deserve to be compensated accordingly.

Councilmember Katy Yaroslavsky,

I grew up working for my dairy farmer grandparents. Raised crops. Drove a tractor 🚜 People need a living wage. Especially those who feed us from field to fork because without them we starve.

I urge you to vote for higher wages and benefits for tourism workers. And I am not alone: the Tourism Workers Rising coalition of over 150 community organizations and 360 small businesses across Los Angeles is urging city leaders to vote yes on this strong policy that will improve the lives of thousands of tourism workers.

Heed their call and vote for the Olympic Wage for hospitality workers this time.
