Subject: Reject Petition Corrupted by Deception and Other Misconduct
Dear Los Angeles City Clerk,

As a constituent, I am extremely troubled by the reports of brazen misrepresentation and violent behavior by circulators of the referendum petition seeking to overturn the ordinance increasing wages and healthcare benefits for hotel and airport workers and hotel worker training (Ordinance 188610). Circulators have claimed that the referendum would increase worker wages when it would actually eliminate a minimum wage increase.

The use of violence by circulators to prevent public education is unacceptable, and signatures obtained by misrepresenting the content of the petition do not represent the will of the voter. As the very petition process has been corrupted, we urge you to keep the measure off the ballot. At the very least, referendum petition signatures gathered by circulators who broke the law must be excluded.

I was told misleading information when asked to sign the petition.

I trust in your commitment to upholding the integrity of the referendum process, public safety, and local democracy. Please take this matter seriously.

Sincerely,
Ann Doresy

I was approached by a circulator at the Sprouts market in Eagle Rock about a week before the signature campaign was

ending. He said the petition was for lowering taxes and building more housing. I asked to read it, and it was indeed the referendum petition.

I trust in your commitment to upholding the integrity of the referendum process, public safety, and local democracy. Please take this matter seriously.

Throughout the signature collection, I witnessed multiple unlawful acts from people claiming that this referendum would "raise the minimum wage." Additionally, when asked to see the sheet of top funders they did not provide it and said it was something they "didn't need to have." We cannot let circulators who blatantly ignore the law gather signatures that were not signed in good faith.

I trust in your commitment to upholding the integrity of the referendum process, public safety, and local democracy. Please take this matter seriously.
