Councilmember Tim McOsker,

To ensure that tourism workers are healthy and housed, I urge the Council to vote YES to the Olympic Wage for hospitality workers. We should be working to strengthen and expand worker protections— NOT diminish them.

Thank you,

Council President Marqueece Harris-Dawson,

I urge our L.A. City Council members to vote YES on the Olympic Wage for hospitality workers. This would update our current living wage laws to require that airport and hotel workers are paid \$25 hour immediately and \$30 by the Olympics, and have increased access to family health care and worker protections.

Tourism workers make tourism possible. They deserve to be compensated accordingly.

Council President Marqueece Harris-Dawson,

To ensure that tourism workers are healthy and housed, I urge the Council to vote YES to the Olympic Wage for hospitality workers. We should be working to strengthen and expand worker protections– NOT diminish them.

Thank you,

Subject: Tourism Workers Deserve to Rise! Yes to Raising Hospitality Workers' Wages (File # 14-1371-S13)

Council President Marqueece Harris-Dawson,

I urge our L.A. City Council members to vote YES on the Olympic Wage for hospitality workers. This would update our current living wage laws to require that airport and hotel workers are paid \$25 hour immediately and \$30 by the Olympics, and have increased access to family health care and worker protections.

Tourism workers make tourism possible. They deserve to be compensated accordingly.

Subject: In support of higher wages for tourism workers (File # 14-1371-S13)

Council President Marqueece Harris-Dawson,

While the tourism industry is poised to continue to grow as Los Angeles gears up to host the 2026 World Cup, 2028 Olympic and Paralympic Games, and other mega-events, wages remain

insufficient for tourism workers to continue to live in Los Angeles and surrounding cities as the region grapples with an unprecedented housing and healthcare affordability crisis

I urge you to vote for higher wages and benefits for tourism workers. And I am not alone: the Tourism Workers Rising coalition of over 150 community organizations and 360 small businesses across Los Angeles is urging city leaders to vote yes on this strong policy that will improve the lives of thousands of tourism workers.

Heed their call and vote for the Olympic Wage for hospitality workers.
