of the City of Los Angeles

Council File No. 14-1371S-13

Honorable Members:

On March 7, 2025, this Office transmitted a draft ordinance, approved as to form and legality, to increase the wages and health benefits for hotel and airport workers in the City of Los Angeles; to provide training requirements for hotel workers; to implement enforcement measures; and to make necessary technical changes. After sending the March 7 transmittal, we identified minor technical corrections that needed to be fixed in the draft ordinance on file. The enclosed revised draft ordinance, approved as to form and legality, makes those technical corrections to ensure that reference to specific code sections and the use of defined terms are correct throughout the ordinance.

Council Rule 38 Referral

A copy of the revised draft ordinance was sent, pursuant to Council Rule 38, to the Bureau of Contract Administration within the Department of Public Works, and its comments have been incorporated in the revised draft ordinance.
