Resolution In Support of LA Raise the Wage to \$15

Whereas, over 810,000 in low-paying industries like fast food, hotels, carwashes, and retail, along with community members have all been fighting for \$15 an hour as soon as possible; and

Whereas, every week \$26 million is stolen from the pockets of workers by employers violating the law; and

Whereas, workers deserve to be guaranteed a paycheck when they work; and

Whereas, workers who fall ill have also been forced to make the impossible decision of staying at home or going to work sick, forced to choose between their health, child care, and paying rent or putting food on the table; and

Whereas, when workers earn a living wage, they stimulate the economy. They immediately spend their paychecks in their communities to sustain their family's basic need, allowing local businesses to thrive; and

Whereas, we look forward to working with the Mayor and the LA City Council to champion, pass, and enforce the nation's strongest minimum wage policy.

Now, therefore, be it resolved by the South Los Angeles Alliance of Neighborhood Councils as follows:

Section 1. The South Los Angeles Alliance of Neighborhood Councils hereby supports a swift pathway to \$15 per hour, indexed to the cost of living.

Section 2. The South Los Angeles Alliance of Neighborhood Councils supports comprehensive wage theft enforcement by the City of Los Angeles.

Section 3. The South Los Angeles Alliance of Neighborhood Councils supports the inclusion of guaranteed earned sick days.

Section 4. The South Los Angeles Alliance of Neighborhood Councils will submit to the City Clerk a Community Impact Statement, reflecting this decision; and it will be filed under Council file #14-1371 and its related files.

Section 5. This resolution shall be in full force and effect immediately upon its passage and adoption thereof.

Passed this Thursday, 19 March 2015.
