#### SUMMARY

At its regular meeting of January 12, 2015, the Budget and Finance Committee considered Motion (Blumenfield - Buscaino) relative to accepting funds from AT&T to cover the cost of expedited reviews of traffic control plans. According to the Motion, Council previously authorized the LADOT to receive \$15,000 to cover the cost of expedited reviews and the Department reports that those funds have been expended. AT&T continues to perform construction and maintenance work to enhance its communication infrastructure throughout the City and is requesting the continuation of expedited review of its traffic control plans in order to ensure the timely completion of their work activities.

During Committee discussion, a LADOT representative provided a brief overview of the Motion and responded to related questions from Committee members. After further consideration and having provided an opportunity for public comment, the Committee recommended approval of the Motion recommendations. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

BUDGET AND FINANCE COMMITTEE
