Sec. 2. **URGENCY CLAUSE.** The City finds and declares that this ordinance is required for the immediate protection of the public peace, health, and safety for the following reasons: The regulations contained in this ordinance are necessary for the immediate preservation of the public peace, health or safety insofar as they establish an effective mandatory reporting process that encourages existing energy inefficient buildings to reduce water and energy consumption. These auditing measures are designed to reduce urban water demand in the face of persistent cyclical State-wide drought conditions. They are also designed to reduce energy consumption in the face of persistent global warming. Both drought and climate change present an immediate and ongoing threat to the livelihood of persons living in the City of Los Angeles. In order to address this threat, this ordinance corrects administrative dates to provide the time necessary for existing building owners to receive notice, evaluate their buildings, and reduce water and energy consumption as required by the LAMC. For all of these reasons, this ordinance shall become effective upon publication pursuant to Section 253 of the Los Angeles City Charter.

Sec. 3. **SEVERABILITY.** If any portion, subsection, sentence, clause or phrase of this ordinance is for any reason held by a court of competent jurisdiction to be invalid, such a decision shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have passed this ordinance and each portion or subsection, sentence, clause or phrase herein, irrespective of the fact that any one or more portions, subsections, sentences, clauses or phrases be declared invalid.

Sec. 4. The City Clerk shall certify to the passage of this ordinance and have it published in accordance with Council policy, either in a daily newspaper circulated in the City of Los Angeles or by posting for ten days in three public places in the City of Los Angeles: one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall; one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall East; and one copy on the bulletin board located at the Temple Street entrance to the Los Angeles County Hall of Records.
