SUMMARY

In a report to Council dated December 10, 2014 (attached to the Council file), the CAO states that the Mayor requests authority to reappropriate funds and modify the budget of the United States Department of Homeland Security FY 2011 Regional Catastrophic Preparedness Program grant award to redirect savings towards salary costs and EMD annual workshop expenses. The total grant award (\$1,281,976) remains unchanged. The CAO recommends approval of the Mayor's request.

The CAO reports that the Regional Catastrophic Preparedness Program provides funding to enhance catastrophic incident preparedness in designated high-risk areas. The program requires recipients to focus on the areas of fixing existing plans, building regional planning processes and planning communities, and linking operational and capabilities-based planning for resource allocation.

At its meeting held December 12, 2014, the Public Safety Committee recommended that Council approve the Mayor's request relative to this matter, as recommended by the CAO.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
