RE: COUNCIL FILE TRANSMITTAL

On April 10, 2019, the Information, Technology, and General Services Committee considered a City Attorney report and Ordinance relative to authorizing the Bureau of Engineering to use a Design, Build, Finance, Operate and Maintain project delivery method and the competitive sealed proposal selection process for capital improvement projects related to the development and operation of the Los Angeles Street Civic Building (LASCB), located at 150 North Los Angeles Street; and, Municipal Facilities Committee (MFC) report relative to Fiscal Year 2018-19 budget revisions, use and issuance of Municipal Improvements Corporation of Los Angeles (MICLA) funds, and increase appropriations in MICLA fund for the demolition and pre-design component of the LASCB project, Council file No. 14-1604.

After consideration, the Committee moved to approve the MFC's recommendations; however, the Committee continued the City Attorney report and Ordinance.

This file is now transmitted to Budget and Finance.

Leyla A. Campos
Legislative Assistant
Information, Technology, and General Services Committee
