Dear Councilmember O'Farrell,

First let me say, so glad I voted for you. You are doing an amazing job!! I am a homeowner and Airbnb host in Atwater Village. I've heard some rumblings recently about restrictions that may be put on the program. I want to speak in favor of Airbnb. In Atwater, 95% of the folks that I have hosted are Grandparents or the divorced parent coming to visit their families who live in Atwater. The other 5% have been folks redoing their Atwater homes - and currently a businessman who is building a music venue on Fletcher is staying with me. All of this is amazing community building. Not to mention, that I am close with many of the long time business owners on the boulevard that take good care of the guests which brings in more revenue for the businesses and the City.

I hope you will continue to support Airbnb. It's a good thing for Atwater!

All the best
