TO The Council	DATE 09-11-15	COUNCIL FILE NO.
FROM The L.A. for Kids Steering Committee	COUNCIL DISTRICTS ALL	

At its meeting on August 27, 2015, the L.A. For Kids Steering Committee (LAFKSC) reviewed the attached Public Works Bureau of Engineering (BOE) report on the status of the Proposition K 9<sup>th</sup> Cycle Competitive Funding Request for Proposals (RFP). The LAFKSC authorized staff to extend the deadline of the 9<sup>th</sup> Cycle Competitive Funding RFP and to obtain Council approval to effectuate this action with the provision that all responses be received prior to the final Regional Volunteer Neighborhood Oversight Committee (RVNOC) deliberations. Therefore, staff transmits for Council consideration the following recommendations:

1. Authorize staff to re-open the RFP to extend the submission deadline to October 13, 2015, to provide proposers an opportunity to submit responsive proposals;
2. Authorize staff to make any necessary technical changes and advertise the re-opening of the RFP no later than September 23, 2015; and,
3. Instruct staff to report back to the LAFKSC with results and recommendations on eligible proposals prior to the conclusion of the 2015 RVNOC deliberations.

Adoption of the above recommendations would authorize a deadline extension for the Proposition K 9<sup>th</sup> Cycle Competitive Funding RFP in order to provide an opportunity to increase the competitive pool of applications. Staff will provide final funding recommendations to both the LAFKSC and Council for award of the 9<sup>th</sup> Cycle Competitive Funding as part of the 2016-17 Assessment Report, which is anticipated to be released in May 2016.

There is no immediate impact on the General Fund as a result of the recommended actions.
