

ENTERTAINMENT AND FACILITIES COMMITTEE REPORT relative to a proposed increase of \$3.4 million in the contract ceiling with CBRE, Inc., for project management oversight of the restacking project at 201 North Figueroa Street, to proceed with Phases 2 and 3a.

Recommendations for Council action:

1. AUTHORIZE the Department of General Services (GSD) to increase the contract ceiling with CBRE, Inc., for the 201 Restack Project which includes project management, space planning, tenant improvements, and re-occupation of displaced employees and other departments to 201 North Figueroa Street, by \$3.4 million, from the approved amount of \$3.2 million to a revised authority of \$6.6 million.
2. AUTHORIZE the City Administrative Officer to make technical corrections as necessary to implement Mayor and Council intentions.

Fiscal Impact Statement: The GSD reports that the overall revised tenant improvement budget is \$13.3 million. The General Fund impact is \$9.0 million, up \$240,000 from the previously submitted budget. There is approximately \$8.1 million in Municipal Improvement Corporation of Los Angeles funding available for Space Optimization, leaving a General Fund shortfall of \$916,571. This shortfall may however be further reduced after receiving actual construction bids for the work for future phases. Additionally, there may be further cost reductions if departments are able to use some of the existing space as-is.

Community Impact Statement: None submitted.
