#51

6 Between November 8, 2014 and December 30, 2014, four Korean females were assaulted and robbed by an unknown Hispanic male in the Koreatown area. The suspect followed each of the lone women into an elevator, where he then punched the victims and stole their purses. During one of these robberies, the suspect also committed sexual battery against the victim. Detectives are continuing to investigate these crimes, and believe that a monetary reward may compel members of the public to provide information on this crime.

The person responsible for these crimes represents an ongoing threat to the safety of the people of Los Angeles; therefore, it is appropriate for the City of Los Angeles to offer a reward for information leading to the identification, apprehension and conviction of the person responsible for this series of assaults and robberies.

I THEREFORE MOVE that by adoption of this Motion, the City Council provide an offer of reward for information leading to the identification, apprehension, and conviction of the person responsible for four assaults and robberies targeting lone Korean women between November 8 and December 30, 2014, and in support thereof, make the following findings pursuant to Division 19, Chapter 12, Article 1 of the Los Angeles Administrative Code:

1. That this series of assaults and robberies targeting lone Korean women was caused by the willful misconduct of one or more persons.
2. That this offer of reward is consistent with and taken for the immediate protection of the public peace, health and safety of local residents, as well as visitors to the City, and is consistent with the need to arrest and convict the person or persons who, because of not being apprehended, could by their actions further terrorize and present a continuing and immediate menace to the rights of persons in the City.
3. That what happened to the victims is an especially disturbing crime and therefore, as a matter of public policy, the City hereby offers a reward as an added inducement for persons to come forward with information leading to the identification, apprehension and conviction of the persons responsible for this series of robberies.
4. That the sum of \$50,000 shall be the aggregate maximum sum of any payment or payments of a City reward in this instance.
5. That the offer of reward shall be in effect for six months from the date of the advertisement of the reward by the City Clerk.

I FURTHER MOVE that the City Clerk be directed to cause notices and/or advertisements to be duly published according to the requirements of Division 19, Chapter 12, Article 1 of the Los Angeles Administrative Code, and to thereby cause the offer of reward to become effective.
