

MOTION

The Street Furniture Revenue Fund provides funds for transit related projects, sidewalk projects, curb/sidewalk improvements, beautification projects needed to improve conditions for public transit patrons, and all expenses relating or incidental thereto, as well as on general services to the community in each Council District.

The Department of Transportation is assisting in the Ventura Boulevard tree trimming project between Hazeltine Avenue to Ventura Canyon Avenue in Sherman Oaks. This effort is of special benefit for the residents of the City and for Council District #4 and deserves financial assistance from the City.

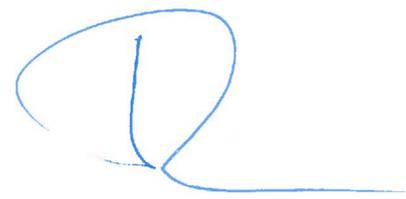

Sufficient funds are available in the Council District 4 portion of the Street Furniture Revenue Fund which could appropriately be transferred to the Department of Transportation for this purpose.

I THEREFORE MOVE that \$1127.28 from the Council District 4 portion of the Street Furniture Revenue Fund No. 43D, Department 50 be utilized to pay for the posting of Temporary No Parking Signage to allow for tree trimming on Ventura Boulevard; and that the Public Works Bureau of Accounting be instructed and authorized to pay the Department of Transportation this amount for this purpose through an Internal Exchange Document to Fund 100, Department 94, Department Revenue 4293TT, Revenue Source 4293.

I FURTHER MOVE that the Department of Transportation be authorized to make clarifications or corrections to the above instructions as may be necessary to implement the intent of this Motion.
