Summary:

On January 26, 2015, the Arts, Parks, Health, Aging and River Committee considered Motion (O'Farrell - LaBonge) relative to the reopening of the Hollyhock House in Barnsdall Park. The Motion, attached to the Council file, contains background information. During the discussion of this item, a representative from the Chief Legislative Analyst office read into the record an amendment to paragraph five of the Motion to read: "I further move that the Department of Recreation and Parks - instead of the Board of Recreation and Park Commissioners - consider the event organizers' request.....". This amendment is reflected under Recommendation 2 above. A representative from the Cultural Affairs Department then provided an overview of the work that has gone into planning this event and what can be expected on February 13-14.

After providing an opportunity for public comment, the Committee recommended that Council approve the recommendations contained in the Motion as modified in Committee. This matter is now submitted to Council for its consideration.

Respectfully Submitted,
