SUMMARY

On January 23, 2015, Council referred Resolution (Blumenfield – Bonin) relative to prohibiting the parking of oversized vehicles on Topham Street between Yolanda and Wilbur Avenues to the Transportation Committee for consideration.

At its meeting held February 11, 2015, the Transportation Committee considered a substitute Resolution presented by the CLA. The new Resolution contains modified findings as follows. Abutting the Metro Orange Line Light Rail facility on the north, Topham Street has become a popular location for the parking and storage of large vehicles, resulting in fewer parking spaces for residents and businesses, as well as limited visibility for drivers. A preschool, as well as numerous homes and businesses, are experiencing public safety issues associated with these large vehicles that park for long periods of time on Topham Street between Yolanda and Wilbur Avenues. Committee recommended that Council approve the substitute Resolution presented by the CLA to prohibit the parking of oversized vehicle on Topham Street as described above.

Respectfully Submitted,
