

M O T I O N

TO CITY CLERK FOR PLACEMENT ON NEXT
REGULAR COUNCIL AGENDA TO BE POSTED

#53

On March 5, 2002, under Council File No. 01-1459, the City Council adopted new procedures for processing street vacations, which require the adoption of a Rule 16 motion to initiate street vacation proceedings at the request and instance of an application from a petitioner. Under these new procedures, when a petitioner submits an application and a fee deposit to the Bureau of Engineering, the Chair of the Public Works and Gang Reduction Committee is required to introduce a motion for the purposes of assigning a Council File Number and initiating the investigation of the vacation.

The City Council on May 16, 2012, under Council File No. 11-2040, conditionally approved the vacation of Colorado Boulevard (portion of Northeasterly side) adjoining Lots 5 and 6, of Tract No. 2280, southeasterly of College View Avenue. The vacation conditions were not complied with prior to the expiration of the vacation approval.

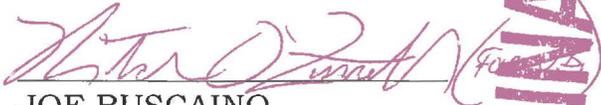

Kurken Alyanakian, owner of the properties legally described as Lots 5 and 6, of Tract No.2280, has submitted a new application requesting to vacate the same street, located in Council District 14. The applicant has also submitted a fee deposit to cover the cost of processing of the vacation proceedings.

Additionally, the adoption of the following recommendations does not constitute or imply approval of the vacation.

I THEREFORE MOVE that upon adoption of this motion, street vacation proceedings be initiated to vacate Colorado Boulevard (portion of Northeasterly side) adjoining Lots 5 and 6, of Tract No. 2280, southeasterly of College View Avenue. pursuant to California Streets and Highways Code, Division 9, Part 3, Public Streets, Highways and Service Easements Vacation Law.

I FURTHER MOVE that the Bureau of Engineering be directed to investigate the feasibility of processing this vacation request as recorded under Council File No. 11-2040, and Engineering work order No. E1401171.

I FURTHER MOVE that the Bureau of Engineering present its report regarding the feasibility of vacating the requested area to the Public Works and Gang Reduction Committee.
