

ITEM No. 19 - A

MOTION

I MOVE that the matter of the Continued Consideration of Planning and Land Use Management Committee Report relative to the inclusion of the Norm's La Cienega Coffee Shop located at 470 North La Cienega Boulevard in the list of Historic-Cultural Monuments, Item No. 19 on today's Council Agenda (CF 15-0330), BE AMENDED to direct the Planning Department to take note in the designation that the Googie features on the Norm's La Cienega building's west and south facing facades are primary exterior elements of the building that this designation is intended to protect inasmuch as these are the building elements that are visible on La Cienega and that the community and visitors from around the world have come to associate with Norm's La Cienega and this important and increasingly rare style of architecture.
