DISCUSSION:

On April 29, 2015, under Council File No. 15-0366 the City Council per motion (Buscaino-Parks) instructed the City Engineer to perform the necessary steps to change the name of Center Street between Viewland Place and Knoll Drive as shown colored red on the attached Exhibit "A", and to change and establish it as Eastview Little League Drive.

The motion states "There is a need to change the name of Center Street between Viewland Place and Knoll Drive in San Pedro to Eastview Little League Drive. A portion of Center Street is an island that is cut off from the remaining portion of Center Street (a major north/south thoroughfare through San Pedro) by the construction of Highway 47 and Vincent Thomas Bridge. As a result, over the years this separation has caused confusion and slowed emergency response. The requested name change will mitigate these problems."

The abutting property owners were notified of the proposal for the name change of Center Street to Eastview Little League Drive. No objections to the proposed name change were submitted to our office.

Upon adoption of the Ordinance by the City Council, the adjoining property owners and concerned agencies will be notified of the street name change.
