BACKGROUND

At its meeting of June 20, 2016 the City Council heard matters related to the "Petroleum/Natural Gas (PING) Expert" (CF# 15-0387) and found a need for "short-term extension[s] and renewals of respectively expiring and expired franchise agreements." Furthermore, CF# 15-0387 directed the Department to "submit, within 90 days, the required ordinances to City Council for authorization to execute the ordinances and extensions." Thirty-six (36) draft ordinances have been prepared and this report provides recommendations to accomplish the adoption of the identified ordinances to fulfill Recommendation 6 of CF# 15-0387.

DISCUSSION

From February through December 2016, the Department reached out to all existing electric-line and pipeline franchisees paying annual franchise fees to request updated applications for a franchise to operate existing facilities in city streets, as listed in Recommendation 3 above. Franchisees responded via letter and/or submitted application materials, or provided clarifications to existing applications in historical files for staff to complete the reviews.

The entities listed in this report continue to operate their respective lines, have been paying their annual franchise fees, currently maintain City-required insurance, and maintain faithful franchise performance bonds as required by their existing franchise agreements. Ownership history of the franchises and their current assets will be found on each respective ordinance presented for consideration.

As part of the investigations of the applications for franchises, the Department collected various information regarding each operator's existing facilities and operations, including line locations and other items in the application checklist.

The Department does not have regulatory oversight of the entities, which falls under the auspices of the California Public Utilities Commission (PUC), the California State Fire Marshall (CSFM), and/or the United States Department of Transportation's Pipeline and Hazardous Materials Safety Administration (PHMSA). Operators test the integrity of their active lines as required by, and are monitored by, the PUC, CSFM and/or PHMSA, if applicable.

The proposed ordinance for 35 pipeline franchises will follow the pipeline template that was attached to CF# 15-0387. The 36th franchisee under consideration is Southern California Edison (SCE), and their agreement does not follow the proposed template which was developed only for pipelines. Instead, SCE's proposed ordinance will be based on the most current negotiated agreement with SCE in place, which is Ordinance No. 157,228 adopted in 1982 for a term of 21 years. The proposed ordinance will simply replicate the provisions of Ordinance No. 157,228 for SCE but propose a term of only one year, with an optional nine-month extension, during which time transition to the Board of Public Works will take place to develop a new agreement to bring forward to the City Council for consideration.

This variation is necessary to account for the distinct franchise services provided by SCE. The benefits of having a franchise agreement in place include the certainty of indemnification for any work performed by SCE or on its behalf, as well as the clear authority for the inspection of property and records.

ENVIRONMENTAL CLEARANCE

None of these entities have submitted plans to construct new pipelines. Since these applications are for franchises to operate existing lines, they are exempt from the provisions of the California Environmental Quality Act (CEQA). Article III, Class 1, Section 14 of the City of Los Angeles CEQA Guidelines exempts the "issuance, renewal or amendment of any lease, license or permit to use an existing structure or facility involving negligible or no expansion of use." One operator (Chevron USA) is working with the Department of Public Works to add a safety valve, and related vault and appurtenances, after the completion of the I-405 widening work; the Department is fully supportive of this work.

FRANCHISE PROVISIONS

Franchisees will be required to prepare and submit data and reports as may be reasonably necessary or appropriate for the performance of any of the duties and responsibilities of the Board or Department in connection with the franchise. Such data and reports may include pressure test results, accident reports, and any other incident reports (e.g., ruptures, spills, explosions, fires, etc.). Franchisees will be required to maintain a performance bond equal to three times the calculated annual franchise fees, and insurance coverage as mandated by the City's Risk Manager and indicated on Form Gen. 146 (Attachment 1). Franchisees shall comply with the City's Standard Provisions for City Contracts (Attachment 2). Franchisees will be responsible for all expenses that may be incurred by the City in responding to any spills or accidents arising from the operation of the pipelines. The term of the franchise will be for one year from the date the franchise ordinance becomes effective, with one optional nine-month extension.

FISCAL IMPACT STATEMENT

Based on receipts received in 2016, the annual franchise fees collected for this cumulative list of franchisees to be renewed total approximately \$3.26 million, as listed below.

6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.
7. The rights and remedies of the **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

PSC-11. INDEPENDENT CONTRACTOR

this Contract. The **CITY** has the right to approve **CONTRACTOR'S** subcontractors, and the **CITY** reserves the right to request replacement of subcontractors. The **CITY** does not have any obligation to pay **CONTRACTOR'S** subcontractors, and nothing herein creates any privity between the **CITY** and the subcontractors.

PSC-13. PROHIBITION AGAINST ASSIGNMENT OR DELEGATION

CONTRACTOR may not, unless it has first obtained the written permission of the **CITY**:

PSC-15. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), against **CONTRACTOR'S** rights to payments hereunder, or against the **CITY**, and shall pay all amounts due under the Unemployment Insurance Act with respect to such labor.

PSC-16. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION CERTIFICATE REQUIRED

If applicable, **CONTRACTOR** represents that it has obtained and presently holds the Business Tax Registration Certificate(s) required by the **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code. CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form, in accordance with

requirements prescribed by the **CITY**. These records shall be retained for a period of no less than three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. Said records shall be subject to examination and audit by authorized **CITY** personnel or by the **CITY'S** representative at any time during the term of this Contract or within the three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. **CONTRACTOR** shall provide any reports requested by the **CITY** regarding performance of this Contract. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract.

PSC-18. FALSE CLAIMS ACT

CONTRACTOR acknowledges that it is aware of liabilities resulting from submitting a false claim for payment by the **CITY** under the False Claims Act (Cal. Gov. Code §§ 12650 *et seq.*), including treble damages, costs of legal actions to recover payments, and civil penalties of up to \$10,000 per false claim.

PSC-19. BONDS

All bonds which may be required hereunder shall conform to **CITY** requirements established by Charter, ordinance or policy, and shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Sections 11.47 through 11.56 of the Los Angeles Administrative Code.

Except for the active negligence or willful misconduct of the **CITY**, or any of its Boards, Officers, Agents, Employees, Assigns and Successors in Interest, **CONTRACTOR** undertakes and agrees to defend, indemnify and hold harmless the **CITY** and any of its Boards, Officers, Agents, Employees, Assigns, and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by the **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of the negligent acts, errors, omissions or willful misconduct incident to the performance of this Contract by **CONTRACTOR** or its subcontractors of any tier. CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract.
