Hello !

Here is my input for Personnel and Animal Welfare Committee meeting agenda items:

-Korie Schmidt

Item 12 - File# 15-0448

From what we were talking about in PLUM last week, tree services are extremely hard to coordinate and get done. This should and could be improved. We should be able to put trees in projects in our neighborhood to make it more livable without the burden of "how do we keep them maintained?". Let's talk about some solutions ?
