MAINTENANCE. The Department of Public Works through its Bureau of Street Lighting will itself perform the work, or will contract for certain work with the Department of Water and Power, or private companies, in providing normal maintenance for the LACLD in accordance with the terms, and conditions as have been agreed upon by the Board of Public Works and the supplier, and approved by the City Council.

REPAIRS. The Department of Public Works will itself perform the repair work, or will contract for certain work with private companies, provide the materials, equipment and expense, appliances, other appurtenances and appurtenant work necessary to repair the street lighting system. This may also require approval by the City Council.
