Type of funding request (name of program or equipment):

Funding for 50 Apple iPads; 50 USB mobile chargers; 50 protective cases

Provide a brief description and the need for the program/equipment/service (use attachment if needed):

The donation of iPads will be provided to LAFD Command Staff in order to update the technology they use during tactical emergency incidents. They will allow LAFD commanders to use Apps that display real-time information to manage incidents (resources, personnel, assignments, etc.) via the inter-connected apps.

Is there a fiscal impact to approving this request? (Maintenance costs, monthly service cost, extra equipment or services etc.). Please describe:

No. Carrier fees will be paid via existing City contracts with Verizon Wireless.

Has this program/equipment/service previously been requested through the city budget?

No.

If yes, list the most recent date of submission and the result:

If no, explain the reason why it was not submitted:

These technologies have been thus far used only on a trial basis and have not been included in formal budget requests.

What objectives will be accomplished if the funding is granted?

Increased communication ability (via technology) between LAFD command staff.
